Students will be called to interview if those accepted students withdraw for any reason. **A new application will must be completed each school year.** Any student applying for the wrong grade level will be denied admission. The Toledo School for the Arts is a community school established under Chapter 3314 of the Ohio Revised Code. TSA is a public school and its students are required to pass proficiency tests and other examinations prescribed by law. Students who have been excused from the compulsory attendance law for home instruction as defined by the Administrative Code shall no longer be excused for that purpose upon their enrollment at TSA. For further information regarding the above issues, contact the school administration or the Ohio Department of Education.
